

### Manufacturer's Warranty

1. We refer to the supply of BunkerMat ("the Product") manufactured by Geofabrics Australasia Pty Ltd, ACN 005 479 961 ("the Manufacturer") for the sale and distribution by Whitemoss Eco Supplies Limited whose registered address is 6 Mallard Court, Mallard Way, Crewe Cheshire CW1 6ZQ, United Kingdom.
2. The Manufacturer confirms that at the time of leaving their factory and subject to the remainder of the document, the following:
  - 2.1 The Product has been manufactured under and in accordance with their ISO 9001:2015 quality assurance system.
  - 2.2 The Product is manufactured in accordance with the Manufacturer's current published specifications. These specifications vary from time to time and you should review them to ensure their currency.
  - 2.3 Provided that this product is installed in accordance with the Manufacturer's installation guidelines, the Product has an expected useful life for ten years after delivery, subject to the remainder of this document.
3. This warranty does not cover damage or defects caused to the Product by acts of God, floods, fires, earthquakes, abnormal weather events, force majeure, wear and tear, improper handling, ultraviolet radiation, exposure to harmful chemicals, damage during installation, faulty project design or installation, unsuitable ground conditions or preparation of the construction site, stress occasioned settlement, cave in, integration of covering material or excessive loads or pressure, failure of any other material, unavoidable events accidents or disasters, damages caused by animals, or any other circumstances that cannot be controlled by the Manufacturer.

### Suitability of Product

4. The Manufacturer assumes no responsibility for ensuring the Product meets with your requirements or is suitable for a specific application. You will need to confirm this with your consulting engineer or other responsible design professional. If any product, by reason of the fault of the Manufacturer is found at the time of delivery of the Product to be damaged or defective, the Manufacturer will replace the Product at the Manufacturer's cost or reimburse you. This paragraph only applies to damage or defects caused by the Manufacturer which are found at the time of delivery of the Product.
5. The Manufacturer is not responsible for assessing Site conditions and determining suitability of the Product for a particular Site. Site assessment is your responsibility or the responsibility of the consulting engineer or other design professional.
6. Any material change in the nature of the Site, either in a single event or over a period of time, may affect the performance of the Product. The Manufacturer cannot foresee such change.

### Installation

7. The Manufacturer is not responsible for the installation of the product. Correct installation is the responsibility of the supervising engineer and the contractor. You are referred to the Installation Guidelines for the product available on the Manufacturer's website: [www.geofabrics.co](http://www.geofabrics.co) Where provided, the Installation Guidelines cover installation of product in Site conditions that are conducive to its use and optimum performance. The information contained in the Installation Guidelines is general in nature. In particular, the content of the Installation Guidelines does not take account of specific condition that may be present at your Site. Site conditions may alter the performance and longevity of the Product and in extreme cases may make the Product unsuitable. Actual dimensions and performance of the Product may vary.

8. In all cases advice should be obtained from a suitable qualified consulting or supervising engineer or industry specialist before proceeding with installation

### Notification of claims, inspection

9. The Product must be inspected promptly after delivery and before installation. The Manufacturer must be notified by a claim in writing within 14 days of identification of the alleged fault or defect, together with written evidence supporting the claim.
10. Any claims under this warranty shall be forfeited if the customer makes repairs, modifications or changes of the product or replaces it, unless the Manufacturer has approved of this in writing in advance. Claims under this warranty may not be assigned or otherwise transferred to third parties.
11. The Manufacturer shall be provided the opportunity to inspect the Product on Site in order to establish the cause of any alleged damage or defect and to clarify whether it is liable under the provisions of this warranty. The Manufacturer shall only inspect if the relevant area is made free of any obstacles, water, dirt, mud, residue and liquids by the customer.

### Limited liability

12. The liability of the Manufacturer under this document is limited to the repair or replacement (at the Manufacturer's discretion) of the damaged or defective product. If the claim after the installation of the product, you will bear the expense of any works associated with removing the defective product and installing the replacement product. The Manufacturer will not be liable to reimburse you for any indirect or consequential losses, any damages, cost, expenses, loss of revenue, loss of profit, loss of goodwill, lost opportunity or statutory or financial penalties imposed by any governmental agency or any other indirect or consequential loss arising from or in relation to this certificate letter or any agreement with you and notwithstanding termination of such agreement by either party.
